**FOR IMMEDIATE RELEASE**

**Santa Barbara-based Psychic/Aura Expert Pamala Oslie  
To Appear on THE VIEW with Whoopi Goldberg**

Santa Barbara, California

Santa Barbara-based psychic, author and aura expert Pamala Oslie will appear on ABC TV's THE VIEW in a reoccurring segment with Whoopi Goldberg titled "Out of This World." Oslie will appear on the live broadcast from New York City on Thursday January 9<sup>th</sup>, 2014 on KEYT on our area ABC channel.

Oslie was in New York City recently taping a show for Hallmark (get proper name from Pam) and was invited by a producer from THE VIEW to give readings to some of their staff. Her visit lasted four non-stop hours during which Oslie gave readings to over 20(?) staffers and producers, including Executive Producers Bill Geddie and Ed Miller. *(I still cannot find Ed mentioned anywhere with title on the show – perhaps we just mention Geddie?)* Geddie produces and created THE VIEW with Barbara Walters, and the show has garnered 24-time Daytime Emmy Awards.

The VIEW office was a buzz with word of Oslie's abilities and accurate readings of people's aura colors and the detailed information they provide about one's life path, personality, relationships, career potential and much more.

Whoopi Goldberg will interview Pamala Oslie on the show. Goldberg, the anchor host of THE VIEW, is remembered for her Best Supporting Actress Academy Award in GHOST, in which she portrayed psychic Oda Mae Brown. Goldberg has a great interest in psychic and supernatural topics and often brings guests on THE VIEW for one-on-one interviews to explore these subjects. George Noory – host of the radio show Coast 2 Coast is one such guest who has appeared on this segment with Goldberg. Oslie is a

popular guest with Noory on Coast 2 Coast, reaching nearly five million listeners nationally.

Oslie has appeared on national radio and television shows including the Ricki Lake Show, Sirius Radio, Hallmark and what other shows do we want to mention here?

Pamala is an author, consultant, lecturer, and professional psychic. She has a very extensive and loyal clientele worldwide, including many celebrities and even royalty. Since 1983, she has traveled throughout the country presenting seminars & conducting workshops about the emerging human potential, psychic abilities, auras, and the power of our beliefs to create our reality. She also has a popular weekly radio show on KZSB.

Oslie founded the website [www.LifeColorsCity.com](http://www.LifeColorsCity.com), with business partner Rod Lathim. LifeColorsCity.com is filled with written and video content designed to help create love, joy and fulfillment in every aspect of life. Oslie's fourth book INFINITE YOU is slated for publication in early 2014.

What sets Oslie apart from other psychics is her ability to share information and teach people to use their own abilities to improve their lives here and now. Many psychics talk to spirits on the other side and give information that only relates to an individual. Pamala's popularity is based in the accessibility of the information she shares and its direct application to our lives in this world.

Pamala Oslie is the go-to expert on auras – the electromagnetic field that surrounds us all. Her books LIFE COLORS and LOVE COLORS give extensive, practical and useful information for all people to better understand themselves, their relationships, families, careers, health and life path.
